### Manager/Coach Code of Conduct

The Manager will be provided with the Code of Conduct Policy prior to the start of the season. Each Manager is responsible to see that their assistant coaches, players, and spectators abide by the respective Code of Conduct. It is also the Managers responsibility to review the Codes of Conduct with their assistant coaches and players.

Each Manager will ensure that his/her conduct is that of a responsible adult fairly competing to the limit of his/her ability. To satisfactorily meet these responsibilities, the Manager is expected to:

- a) Know the rules and abide by them.
- b) Instruct players in the rules and manage his/her team in such a way as to motivate each player to compete according to the rules at all times.
- c) Place the emotional and physical well-being of the players ahead of any personal desire to win.
- d) Respect the game officials and refrain from questioning their decisions in a disrespectful or abusive manner.
- e) Ensure that all property rules and regulations are followed by the players and spectators.
- f) Ensure that fans of his/her team conduct themselves with sportsmanship and maturity at all times while in attendance at game sites and assist the game officials in maintaining control of spectators during the games.
- g) Respect the coaches and players of the opposing team prior to, during the play of the game and at its conclusion, win or lose.
- h) Teach each player, especially through personal example, to be humble and generous in victory and proud and courteous in defeat.
- i) Maintain control of his/her emotions and avoid actions, language, and/or gestures that may be interpreted as hostile and humiliating.
- j) Instruct team support personnel in their responsibilities in accordance with established rules and procedures.
- k) Realize, accept, and practice the principle that a team's reputation is built not only on its playing ability, but also on its sportsmanship, courtesy, and manner.

Failure to abide by these guidelines may force Crushers Baseball to take action against the Manager/Coach. Actions are outlined in the Chestermere Crushers Code of Conduct Policy and could entertain a warning, suspension, or expulsion from the program.

I have read and understand the requirements that are made to me. I will honor the Manager/Coach code of conduct and will oblige to the rules that have been sent forth onto me.
