Player Code of Conduct

Each player will ensure that his/her playing conduct is respectful and fairly competing to the limit of his/her ability. To satisfactorily meet these responsibilities, the player is expected to adhere to the following:

- a) I will not have unrealistic expectations for myself, or my teammates. I will remember that we are not professionals and cannot be judged by professional standards.
- b) I will know the rules and abide by them.
- c) I will respect the game officials and refrain from addressing them inappropriately or commenting on their decisions prior to, during, or after the play of the game, and I will encourage my team mates to do the same.
- d) I will encourage my teammates to play by the rules and to resolve conflicts without resorting to hostility or violence. I will behave in the same manner.
- e) I will maintain control of my emotions, avoiding the use of abusive language or profanity, humiliating remarks, gestures of ill temper, and physical assault upon another teammate, manager, coach, opposing player, official and fans at any time.
- f) I will respect the coaches and players of my own team and the opposing team and demonstrate appropriate gestures of sportsmanship at the conclusion of game. Be humble and generous in victory and proud and courteous in defeat.
- g) I will not consume alcohol, vape or smoke any substance on, or near the vicinity of the diamond.
- h) I will follow all building rules and regulations, always respecting the property of others.
- i) I realize, accept, and practice the principle that a team's reputation is built not only on its playing ability but also on the sportsmanship, courtesy, and manners of each individual player.
- j) I will attend as many practices and games as possible. (Crushers recognizes that players can have multiple commitments). If I am unable to attend, I will give my coach as much notice as possible.
- k) I will abide by the same guidelines listed here when I participate in online interactions (social media platforms).
- l) I will be responsible for my own behavior.

Failure to abide by these guidelines may force Crushers Baseball to take action against the player. Actions are outlined in the Chestermere Crushers Code of Conduct Policy and could entertain a warning, suspension, or expulsion from the program.

I have read and understand the requirements that are made to me. I will honor the player code of conduct and will oblige to the rules that have been sent forth onto me.
