   - we purchased the two existing 9 foot seacans at OLW and PW ($4550 + GST)

   - the new seacan is scheduled for delivery Friday July 10th at 3pm
   - Pending CRCA Memberships
   - Coach Incident Review - nothing was official, has she been given a previous warning, has official warning now, hard for umpires to eject a coach or parent, umpires should be encouraged to speak to the umpire advocate but this incident was at the end of the game, incident report was done and needs to be saved
   - How did scheduling workout in the end - school diamonds should be used before crca, some issues with crca, crca wanted to know how much we used the diamonds, sent them May and June report, we don't want a credit for limited use we just want to look after the diamonds, school diamonds are booked almost every night, spreadsheet worked pretty good.

   d. **Apparel Manager - Sabrina Green**
      - No Report
   e. **Diamond Scheduler - Nathan Kathol**
      - No Report
   f. **Umpire in Chief - Dwayne Billingsley**
      - Umpires will not start the game until parent advocate is there
      - Chief umpire is requested for each association, conflict of interest, Chestermere, Langdon and Strathmore, Langdon has Regan but Strathmore doesn't have a specified UIC
      - District three needs to be approved all Little League players moving to other associations
      - Rules for 2 hour minimum need to be confirmed. Regulated by Little League, push to standardize to summer rules
      - Working on extended umpire training, instead of the one day clinics provided, D8 training has higher qualifications and standards, join with them for some training required every year, more involved and higher understanding, D8 has level 4 and level 5 trainers, they have a head UIC that monitors and trains all association UIC, what we are currently doing isn't working, we keep losing kids, district as a whole needs to change
   g. **Instructional – Lyndsey Norgaard**
      - Volunteer bond/coaching incentive - are we allowed to offer an incentive to get people for coaching, possible discount on registrations, need to find a better way to get coaches, those that are already volunteering are overwhelmed, could be a problem when we get too many volunteers, could test with Instructional coaches then transfer over to other leagues, could the last payment of registration be the incentive, refund would be better to guarantee that the people who volunteer actually volunteer for the year, borders on paying for coaches,

volunteer bond might work better, this year was way worse for getting volunteers than any previous years
- Wind-up weather was good until the very end
- No complaints from coaches
- Posting pictures is signed through waivers

h. **Little League – vacant (Tamara Giles to cover until filled)**

i. Little League Year End
- Majors Royals Won Playoffs
- Juniors Won Tier 2 and 3

- Equipment and Jerseys Returned except for 1 team
- Need to organize jerseys
- Season went really well
- Parking on field at Our Lady of Wisdom was an issue but was taken care of right away
- Issues
  - Complaints - one at the end, unhappy email sent to Nathan and the generic Crushers email, about posting congratulations on social media, generally up to manager, webmaster was out of town so missed posting one team

i. **Softball – Melissa Fair**
- All teams are done city championship no one won
- Only complaint was from one lady which has already received a warning from association
- Great coaches and managers
- Difference between higher and lower players on a team is drastic
- Don't have enough players to build higher and lower level teams, talk to some Strathmore girls, don't think we have enough for a high school team
- Strathmore only had one Div 1 team and then let the lower division team dissolve, hoped they would come to Chestermere but they didn't
- Corey and Melissa to talk numbers, don't want to send higher level girls to Strathmore and end up with not enough girls to make another team in Chestermere
- Most coaches in Strathmore are from Chestermere

j. **Baseball Alberta – Nathan Kathol**
- 18U played their way into Tier 1, and started the provincial round going 2-1, beat the top team in Alberta
- Three weekends left then provincials
- 18U CNBL entered the Provincial Round for Baseball Alberta 'A' - hosted 2 weeks ago, got rained out, tried for the following wednesday but didn't happen, played in Red Deer this weekend, playing provincials next weekend
- Won first place, lost one game all year

k. **Safety Coordinator - Lori Maier**
- No Report

7. **Set next meeting:**
    - Monday September 14th, 2026 @ 8:00pm
8. **Motion to Adjourn @ 9:39 pm by Amie Harvery, Seconded by Ryan McMillan.**
